

CROSSROAD

“Two roads diverged in a wood and I - I took the one less traveled by, and that has made all the difference.” – Robert Frost (The Road Less Traveled)

From the moment of our birth, until we take our last breath, we are on a journey on a road called life. Along this road there are many twists, turns, hills, valleys, crossroads, and forks in the road. There WILL BE TIMES (many times most likely) where the road on our journey of life will diverge, and we will have to decide as to which way to go.

Which road will we take? How will we ultimately make the decision as to which road to take. At a crossroad, do we turn left, turn right, or just go straight? When we arrive at a fork in the road, which way do we go?

Let us take the narrow road as Jesus tells us in Matthew 7:13-14: ***“Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it.”***

The narrow road, the ones with the twists, turns, hills, valleys, and riddled with potholes will not be the easy road, it will be the road less traveled, but it is the road that we must take if we are to have a seat at the Table of the Heavenly Banquet!

God Bless you all,
